PARENT NIGHT

The most important event of your child's school year!

The JCN Elementary/Middle School (K-8) will be hosting Parent Night on Monday, August 30th. Teachers will be sharing information with parents regarding grade level standards/curriculum, classroom expectations, field trips, schedules, and more! Each teacher will give an overview of your child's classroom or day. Grades K-6, please meet for your session in your child's classroom, 7th and 8th grade will meet in the math room

Each grade level will be presenting the same information twice so you are able to attend either of their sessions. We have staggered the grade levels in hopes that you will be able to see every one of your children's teachers. The chart below identifies the times each grade level will be presenting. There may be a thirty-minute "intermission" for some of you but most should be able to go directly from one classroom to the next and be here only about an hour. Since these sessions will be limited to adults only we will have childcare available.
