## RECYCLING COMES TO NORTONVILLE

JCN and the city of Nortonville have combined resources to begin a recycling project in Nortonville. Beginning the week of November 16th, patrons may drop off the following items in one of two recycling trailers:

- 1) Plastics (number 1 and number 2), or clear plastics such as water bottles and opaque plastics, such as milk jugs - please remove the lids
- 2) Newspapers
- 3) White paper (such as copy paper)
- 4) Color paper or paper with color pictures
- 5) Tin - please remove labels
- 6) Cardboard

We will NOT be recycling glass or aluminum. This project is being done as a community service for patrons and as a science project for students at EMS. Volunteers will be helping our staff take the trailers to Holton to the recycling center. Please help make this a successful project. Special thanks to Barb Polson at the city offices for making this project possible.

## FRUIT SALES

### JCNHS Band

The high school band is selling fruit again this year as a fundraiser. We're raising money for a fun and educational trip to Colorado scheduled for the spring of 2010.

Again this year we are ordering the fruit through Oskaloosa Thriftway. The manager, Mark, has been very cooperative in working with our band. This eliminates the "middle man" cost and insures that we get top quality fruit. The fruit will be available Thursday, December 10. Your band salesperson will deliver the fruit to you. Please pay when you order. Use this opportunity to order for your church or organization's fruit baskets. The fruit will be delivered in time to make great Christmas gifts!
